

Applicant: Joseph K. HALEY
Application No.: 10/815,941

REMARKS

In the instant amendment, Applicant has amended claims 1, 2, 4, 5, 8, 9, 12, and 14, cancelled claim 6 without prejudice to or disclaimer of the subject matter therein, and added claims 15-17. No new matter is added. Claims 1-5 and 7-17 are pending. The claim amendments have not been made to overcome prior art, or for reasons of patentability, are not believed to narrow the invention, and are believed to now even more clearly claim applicant's invention. An action on the merits is requested at the earliest opportunity.

Respectfully submitted,

Date: 7/27/05
